

Housing Benefit

Housing Benefit is dealt with by Reading Borough Council. Forms are available from the Civic Centre, and one is supplied with the tenancy sign up pack.

Cash

Rent can be payed with cash using a swipe card which can be used either at the civic centre or at a convenient post office. The swipe card will be delivered by post following the completion of the sign up.

Direct Debit

Direct Debit payments will be paid by the calendar month so the total years rent will be payable in 12 instalments. Therefore the rent will not be equal to four weeks rent, but slightly higher.
